

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

Thursday, 31.10. 2024.

10.00-11.00

Registration and welcome coffee break

11.00-11.05

Opening – Welcome word by the President of SAACI

11.05-12.25

Plenary lectures

Chairs: *Prof. dr Marina Atanaskovic-Markovic, Prof. dr Mirjana Turkalj*

11.05-11.25 New nomenclature of allergic diseases and
hypersensitivity reactions

Prof. dr Marina Atanasković-Marković

11.25-11.45 Artificial intelligence and allergies

Prof. dr Adnan Čustović

11.45-12.05 Microbiom in atopic diseases

Prof. dr Mirjana Turkalj

12.05-12.25 Does the epithelial barrier hypothesis explain
the increase in allergy and autoimmunity?

Prof. dr Marco Caminati

12.25-12.35

Vedra international: Lecture

Lecturer: *Prof dr Marina Atanasković- Marković*

Topic: *"The importance of probiotics in pregnant women and infants"*

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

12.35-13.20

Symposium I: Basic immunology (PMF)

Chairs: *Prof. Marija Gavrović Jankulović, Prof. Tanja Ćirković Veličković*

12.35-12.48 Allergens and adjuvants in allergen specific
immunotherapy

Prof. Marija Gavrović Jankulović

12.48-13.01 Micro and nano plastics in food and
environment: side effects on health

Prof. Tanja Ćirković Veličković

13.01-13.14 Mass spectrometry of proteins in discovering
the new allergens and their excessive
characterization- the way to more adequate
diagnostics

Katarina Smiljanić, viši naučni saradnik

13.14-13.20 Discussion

13.20-14.05 Lunch break / Viewing

14.05-14.35

Pro et contra: Allergenic immunotherapy of Asthma caused by allergy

14.05-14.07 Introduction: *Prof. dr Zorica Živković*

14.07-14.20 Pro: *Prof. dr Vesna Tomić Spirić*

14.20-14.33 Con: *Doc. dr Rajica Stošović*

14.33-14.35 Conclusion: *Prof. dr Zorica Živković*

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

14.35-15.15

Amicus: Symposium

Lecturers: prof. dr Vesna Tomić- Spirić
prof. dr Marina Atanasković-Marković
Ass. dr sci. med. Katarina Milošević
Topic: "A new generation of allergen immunotherapy"

15.15-16.15

Symposium II: Biological medicines in therapy

Chairs: Prof. dr Aleksandra Perić-Popadić, Prof. dr Branislava Milenković

15.15-15.28 Atopic dermatitis
Ass. dr Tanja Tirnanić
15.28-15.41 Severe asthma
Prof. dr Branislava Milenković
15.41-15.54 Chronic rhinosinusitis and nasal polyposis
Dr Michele Schiappoli
15.54-16.07 Chronic spontaneous urticaria
Ass. dr Žikica Jovičić
16.07-16.15 Discussion

16.15-16.45

Novartis: Symposium

Lecturer: Doc. dr Aleksandar Sovtić
Topic: "Severe asthma in children"
Lecturer: Prof. dr Marina Atanasković-Marković
Topic: "Chronic spontaneous urticaria in children"

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

16.45-17.00 Coffee break

17.00-18.00

Symposium III: Anaphylaxis and mastocytosis

Chairs: *Prof. dr Dušan Popadić, Prof. dr Marina Đelić*

17.00-17.13 Anaphylaxis to drugs, insect venom and food
– is there a difference?

Dr Jelena Janković

17.13-17.26 Exercise-induced anaphylaxis

Prof. dr Marina Đelić

17.26-17.39 Diagnostic criteria and classification of mast
cell disease

Prof. dr Dušan Popadić

17.39-17.52 Is hereditary α -tryptazemia a risk factor for
anaphylaxis to insect venom?

Dr Dragana Jovanović

17.52-18.00 Discussion

18.00-18.15

Amicus: Lecture

Lecturer: *Doc. dr Rajica Stošović*

Topic: *"Text- The first line of defense against anaphylaxis"*

18.15-18.45

Pro et contra: Basophil activation test in clinical practice

18.15-18.17 Introduction: *Prof. dr Dušan Popadić*

18.17-18.30 Pro: *Dr Gordan Blagojević*

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

18.30-18.43 Con: *Doc. dr Vladimir Perović*

18.43-18.45 Conclusion: *Prof. dr Dušan Popadić*

18.45-19.55

Symposium IV: Clinical Immunology I

Chairs: *Prof. dr Mirjana Šefik Bukilica, Prof. dr Jelena Vojinović*

18.45-18.57 Diagnostic criteria and classification of
eosinophil disorders

Prof. dr Dejan Škorić

18.57-19.10 Autoinflammatory syndromes - What is new
in therapy?(paradigms and perspectives)

Prof. dr Jelena Vojinović

19.10-19.22 Potential clinical biomarkers in autoimmune
diseases

Prof. dr Mirjana Šefik Bukilica

19.22-19.34 ANCA- vasculitis- new EULAR
recommendations for diagnosis and
treatment

Ass. dr Maja Stojanović

19.34-19.50 Discussion

20.00

Welcome reception

Sava Center, Gallery, Cocktail

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učesćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

Fruday, 1.11.2024.

9.00-9.50

Symposium V: Clinical Immunology II

Chairs: *Prof. dr Sanvila Rašković, Prof. dr Aleksandra Perić-Popadić*

9.00-9.13 Autoreactive IgE and autoimmune diseases

Doc. dr Snežana Arandjelović

9.13-9.26 EULAR recommendations for SLE therapy

Prof. dr Sanvila Rašković

9.26-9.39 An interferon signature in SLE

Prof. dr Aleksandra Perić-Popadić

9.39-9.50 Our experience in the application of biological
therapy in SLE

Doc. dr Rada Mišković

9.50-10.10

AstraZeneca: Lecture

Lecturer: *Prof. dr Aleksandra Perić Popadić*

Topic: "A new era in the treatment of SLE"

10.15-11.15

Symposium VI: Drug allergy (EAACI recommendations)

Chairs: *Doc. dr Snežana Arandjelović, Prof. dr Vojislav Đurić*

10.15-10.28 Hypersensitive reactions to proton pump inhibitors (PPI)

Dr Zorica Zatežić-Čelper

10.28-10.41 Hypersensitive reactions to biologicals

Prof. dr Ozge Soyer

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

10.41-10.54 Hypersensitive reactions to chemotherapy

Dr Lidija Poček

10.54-11.07 Hypersensitive reactions to iodine contrast agents

Prof. dr Vojislav Đurić

11.07-11.15 Discussion

11.15-11.30 Coffee break

11.30-11.56

Workshop I: Urticaria

Chair: Dr Lidija Poček

11.30-11.43 Diagnosis of cold urticaria

Dr Milica Gazivoda

11.43-11.56 Treatments of cold urticaria

Prim. dr Mirjana Živanović

11.56-12.11

Berlin-Chemie: Lecture

Lecturer: *Prof. dr Marina Atanasković-Marković*

Topic: "New standard in allergy therapy: Nixar oral dispersible tablets for children aged 6 to 11 years"

12.11-12.37

Workshop/radionica II: Rhinitis

Chair: Prof. dr Ivan Baljošević

12.11-12.24 Diagnosis and therapy of local allergic rhinitis

Prim. dr Jasna Jovičević

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učesćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

12.24-12.37 Non-allergic rhinitis

Prof. dr Bojan Pavlović

12.37-13.07

San pharma: Symposium

Lecturer: *Prof. dr Marina Atanasković- Marković*

Topic: *"Modern use of an ancient medicine -VIUSID®"*

Lecturer: *Prof. dr Mirjana Gajić-Veljić*

Topic: *"New formulation and new indication – molecularly activated piroctone olamine (Blue Cap®)"*

13.07-13.17

El pharma: Lecture

Lecturer: *Ass. dr Katarina Milošević*

Topic: *"Efficacy and safety of Aerijs administration in the pediatric population"*

13.17-13.27

Oktal pharma: Lecture

Lecturer: *Prof. dr Marina Atanasković-Marković*

Topic: *"Nasafytol - a natural solution in the prevention and treatment of upper respiratory tract infections"*

13.27-14.25 Lunch break / Viewing

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učesćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

14.25-15.00

Symposium VII: Chronical cough

Chairs: *Prof. dr Jasna Bolpačić, Doc. dr Biljana Međo*

14.25-14.38 Cough hypersensitivity

Prof. dr Todor Popov

14.38-14.51 ERS recommendations for the diagnosis and
treatment of chronic cough in children

Ass. dr Snežana Rsovac

14.51-15.00 Discussion

15.00-15.10

Salveo: Lecture

Lecturer: *Prof. dr Marina Atanasković-Marković*

Topic: *"The role of secretolytic EA 575 in the therapy of allergic
cough"*

15.10-15.40

Pro i contra: Is SOM a part of the atopic march?

15.10-15.12 Introducton: *Prof. dr Bojan Pavlović*

15.12-15.25 Pro: *Prof. dr Ivan Baljošević*

15.25-15.38 Con: *Dr Milena Pavić*

15.38-15.40 Conclusion: *Prof. dr Bojan Pavlović*

15.40-15.50

Save Health: Lecture

Lecturer: *Prof. dr Marina Atanasković-Marković*

Topic: *"Immunobiotics in the prevention of respiratory infections in
children"*

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učesćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

15.50-16.50

Symposium VIII: Asthma I

Chairs: *Prof. dr Jasna Bolpačić, Doc. dr Biljana Međo*

15.50-16.03 Prevalence and phenotypes of pediatric asthma

Ass. dr Katarina Milošević

16.03-16.18 Asthma Monitoring in children

Prof. dr Nikolaos Papadopoulos

16.18-16.33 Challenges in the understanding of
mechanisms and treatments of asthma

Prof. dr Ratko Đukanović

16.33-16.46 Diagnosis and therapy of asthma in adults -
ERS/EAACI recommendations

Prof. dr Sanja Hromiš

16.46-16.50 Discussion

16.50-17.05

Berlin-Chemie: Lecture

Lecturer: *Prof. dr Aleksandra Perić Popadić*

Topic: *"Simple yet effective to good asthma control "*

17.05-17.25

Actavis/Teva: Lecture

Lecturer: *Doc. dr Sanja Hromiš*

Topic: *"Route of Delivery and Frequency of Administration of
Reslizumab are Not a Barrier to Prescribing Therapy"*

17.25-17.40 Coffee break

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učesćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

17.40-18.40

Symposium IX: Asthma II

Chairs: *Doc. dr Aleksandar Sovtić, Doc. dr Biljana Međo*

17.40-17.53 Exercise-induced bronchoobstruction

Doc. dr Biljana Međo

17.53-18.06 Why is small airway disease important in
asthma?

Doc. dr Aleksandar Sovtić

18.06-18.19 Significance of exhaled FeNO in the
diagnosis of asthma

Prof. dr Zorica Živković

18.19-18.32 Significance of biomarkers in asthma therapy

Ass. dr Aleksandra Plavšić

18.32-18.40 Discussion

18.40-18.50

El pharma: Lecture

Lecturer: *Prof. dr Marina Atanasković-Marković*

Topic: *"The role of leukotriene receptor antagonists in pediatric
practice"*

21.00

GALA DINNER

Azzaro Black Club, Ada Ciganlija

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

Saturday, 2.11.2024.

9.00-10.00

Symposium X: Food allergy

Chairs: *Prim. dr Mirjana Živanović, Ass. dr Nina Ristić*

- | | |
|------------|--|
| 9.00-9.10 | Diagnosis of IgE-mediated food allergy-
EAACI recommendations
<i>Dr Vladimir Tmušić</i> |
| 9.10-9.25 | Diagnosis and management FPIES
<i>Prof. dr Philippe Eigenmann</i> |
| 9.25-9.35 | Novelties in the diagnosis and therapy of EoE
<i>Ass. dr Nina Ristić</i> |
| 9.35-9.45 | Novelties in the diagnosis and therapy of
eosinophilic diseases of the GIT
<i>Ass. dr Ivan Milovanović</i> |
| 9.45-9.55 | Mental stress caused by food allergy
<i>Prof. dr Srđan Milovanović</i> |
| 9.55-10.00 | Discussion |

10.00-10.15

Abela pharm: Lecture

Lecturer: *Prof. dr Marina Atanasković Marković*

Topic: *"Probiotics in the prevention of nutritional allergies"*

10.15-10.35

Symposium XI: HAE

Chair: *Prof. dr Slađana Andrejević*

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

10.15-10.27 New drugs in the therapy of HAE

WAO/EAACI recommendations

Prof. dr Slađana Andrejević

10.27-10.35 Diagnosis and treatment of HAE in Serbia,
how far have we come?

Dr Radovan Mijanović, dr Jelena Janković

10.35-11.05

Takeda: Symposium

Changing the paradigm of HAE treatment in Serbia

Lecturer: *Prof. dr Slađana Andrejević*

Topic: *"Where did we start from?"*

Lecturer: *Prim. dr Radovan Mijanović*

Topic: *"How far we've come?"*

Lecturer: *Dr Gordana Petrović*

Topic: *"What awaits us?"*

11.05-11.20 Coffee break

11.20-11.40

Symposium XII: Immunodeficiencies

Chair: *Prof. dr Branka Bonači Nikolić*

11.20-11.32 Challenges in the diagnosis and treatment
of primary immunodeficiencies

Prof. dr Branka Bonači Nikolić

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učesćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

11.32-11.40 Needs for neonatal screening for primary
immunodeficiencies
Dr Gordana Petrović

11.40-12.10

Takeda: Symposium

Immunoglobulin replacement therapy: The Race is ON – now in PID

Chair: *Prof. dr Branka Bonači Nikolić*

Lecturer: *Oliver Lepori, patient, POs PID*

Topic: *"With PID in full speed"*

Lecturer: *Dr. Ioannis Gkougkouras*

Topic: *"Advantages of fSCIg treatment in PID: case reports"*

12.10-13.05

Symposium VIII: Atopic dermatitis

Chairs: *Prof. dr Svetlana Popadić, Prof. dr Mirjana Gajić Veljić*

12.10-12.22 Different faces of atopic dermatitis

Prof. dr Svetlana Popadić

12.22-12.34 Allergy contact dermatitis

Prof. dr Mirjana Gajić Veljić

12.34-12.46 Food allergy and atopic dermatitis: Is
prevention possible?

Prim. dr Mirjana Živanović

12.46-12.58 Atopic dermatitis therapy - what can we do?

Doc. dr Nives Pustišek

12.58-13.05 Discussion

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

13.05-13.20

4U pharma: Lecture

Lecturer: *Doc. dr Tena Niseteo*

Topic: *"New scientific evidences – Complementary therapy and nutritive approach to allergies and atopic dermatitis"*

13.20-13.35

Bioderma: Lecture

Lecturer: *Prof. dr Svetlana Popadić*

Topic: *"Atoderm Intensive balm – more than an emollient"*

13.35-13.45

El pharma: Lecture

Lecturer: *Prof. dr Dušan Škiljević*

Topic: *"Emollient therapy: the importance of restitution of the skin barrier"*

13.45-13.55

La Roche Posay: Lecture

Lecturer: *Ass. dr sci. med. Jovan Lalošević*

Topic: *"Emollients and a balanced microbiome: Synergy in the treatment of atopic dermatitis"*

13.55- 14.45 Lunch break / Viewing

V Kongres alergologa i kliničkih imunologa Srbije
sa međunarodnim učešćem

Novine u dijagnostici i terapiji alergijskih bolesti dece i odraslih

31. oktobar - 2. novembar 2024. godine
"Sava Centar", Beograd

5th Congress of Allergologists and Clinical Immunologists of Serbia
with international participation

Novelties in diagnosis and therapy of allergic diseases in children and adults

October 31 - November 2, 2024
"Sava Centar", Belgrade

14.45-16.45

Workshop III/ Hands on workshop

(An integrated approach to allergies and atopic dermatitis in children)

Chair: *Doc. dr Tena Niseteo*

14.45-15.15 Clinical picture and modern approach to the
treatment of atopic dermatitis

Prof. dr Mirjana Gajić-Veljić

15.15-15.45 Clinical picture of allergies and conventional
approach to treatment

Prof. dr Marina Atanasković-Marković

15.45-16.15 Nutritional approach and complementary
therapy of allergies and atopic dermatitis

Doc. Tena Niseteo

16.15-16.45 Psychodermatological approach to the
treatment of atopic dermatitis

Doc. dr Nives Pustišek

16.45-17.00 Workshop evaluation

Doc. dr Tena Niseteo

17.00

Closing ceremony- word by the President of SAACI

Coctail
